# About the Author

**Director/Writer/Story: M. Ahmad**
**Based on the Kung Fu Panda movie by Dreamworks as a parody**
**M. Ahmad: So apparently, this is a story about a brave and skilled fox who masters Kung Fu. But actually, this story is inspired by Kung Fu Panda, a movie by Dreamworks. There's more you need to know. You See, "When I was like 7 or you can say in 2017, I bought a Kung Fu Panda storybook and I read it a few times but my actual plan to make a story was about myself of how was I memorizing Quran but It's maybe not the best time to do it so I asked help with the best and the cool AI ChatGPT. And I decided to write the same Storybook but twist the plot a little and yeah I do a little Improvise. So I hope anyone who reads this amazing story would like the plot." So you see... Maybe Kung Fu Fox 2 will also come out. And I'll label the things that changed in this story not all but a few that are the main things… and just to tell you. If this book is successful, I am gonna make some cool stories as books but if not so It'd be Series. Here's my channel link Hopefully I am gonna post something very soon and yeah there's a series made by somebody else but reposted by me.MBAhmad_8888 or as @Ahmad-c6w7z**

**And also I have to tell you that I have finished memorizing The Holy Quran a few months ago (July) Now let's check the differences! And yeah it's a bit more weird then the original movie.**

## *Characters*

**The Furious Five as The Fantastic Five**

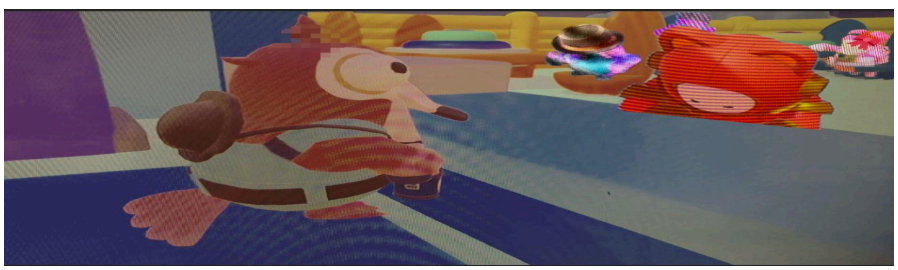
## Chapter one

### The Dream

Once a Kung Fu Warrior lived in a beautiful village named Boo Village which was full of Happiness and Joy. He traveled the land, protecting the innocent and leaving his enemies blind with his awesomeness. Meh, It's just a Dream! He was just a Fox... but not an ordinary one. His Dream was to become a Dragon Warrior and defeat all the enemies that stood in his way. After a long time a voice he heard. "Flo! Flo! Wake up, Flo! You'll be late for work chubby!" Flo's father said. Flo groaned and rolled out of bed, his eyes still heavy with sleep. Flo rushed downstairs to his father's crowded Bakery and began to work. But he still dreamed of becoming a master of Kung Fu and achieving greatness. The Spirit was born in him. He knew it but still to his confusion, something always went on his head like, was he a human before. “Really?” he thought. “Oh yeah! I should’ve known that I-” His Father said right after him “I what Flo? Do your work Mittens! C’mon now! Carry on!”. Flo ran off the counter and delivered Pastries, Croissants and Cookies to table one then a box of Donuts to table three and Tea and Biscuits to table six. “Oy Musca- Ah Mr. Ching Sorry to Bother you eh… Can we get th-" one of his neighbors ordered. "Yeah Yeah I know as always Yum&m's. I should’ve known, ah silly me..” chuckled Mr. Ching.



At the Fluffington Palace, Legendary Master Shifty was training the Fantastic Five when Master Shell Interrupted. "I've had a vision. Bla Zang will return!" said Shell. After that Master Shell told The Fantastic Five about the vision and to decide the new Dragon Warrior Tomorrow.

Flo was too tired of today's work. He just wanted a little rest and after a while an invitation from the Fluffington Palace came to Flo. "Woah! An Invitation from the? This is a Dream Come True. Father! Father guess what?" Flo ran downstairs and told his dad. "I am so sorry Mittens but I can't take you! I.. Who will look after the bakery son? It's hard for me. Sorry Flo. But you can go alone, it's just 2 kilometers away!" Flo's father told him. Flo was so happy about this. He slept early to be the first one to go to the Arena.

The Villagers heard the news and all of them headed to the arena tomorrow to see who would be the Dragon Warrior! Flo had a dream that couldn't wake him up tomorrow. In the Dream, Flo was thrown into the Arena and became the Mighty Dragon Warrior and when he came back home, he served everyone Cookies and Croissants and everyone was cheering so loudly that someone was drumming everywhere through his ears. But that didn't last long as though he was being cheered, a voice called "Flo you're late! you're late!" his father screamed at the top of his voice. "What? No, why are you here? Give me Cookies and I will give them to everyone oh and I forgot about the Past- ","Flo! The villagers are going to the palace" his father said. "Oh no I am really late!!! Help!" Flo screamed and ran downstairs to eat breakfast and ran to the palace but he was very late. Flo went screaming all the way. He squeezed through the crowd but was the only one who was left outside.

Meanwhile Mr. Ching was at the bakery, "Hey Junio my man where were you?" chuckled Mr. Ching while talking to one of his neighbors.
"Yeah me son wanted to go to this Dragon Fest, ya know so I dropped 'em." said Junio.
"Oh yes yes Flo just went there ya know he likes that kind of stuff!" replied Mr. Ching.

They sat chatting there until it was afternoon. It was chilly weather and some people were returning. "It was boring! What were they thinking?" said a villager. "What? What happened? Can a-anyone tell me please w-w-what h-happened? P-please?" cried Mr. Ching. "Nothing, it was just rubbish!" said another villager. "'Ey man why ya di'n't went t' the Ceremony?" Junio asked Mr. Ching curiously. "Well who was going to help me with the bak-", "OH MAN I SHOULD'VE DONE IT! I could because I ain't gonna go there cuz It's a boring thing ya know?" Mr. Ching blew his nose and asked everyone what had happened. "Oy Mr. Ching! Ey' Junio… So ehm uh it happened zat uhm, there were performances like a traditional dance and a Flying Dragon something? and it became boring uh few o' us came back but many were still inside eh and when we came out I think I saw your s-" Mr. Oinkden had just said but got interrupted by someone who was ordering a bunch of things. "3 boxes of donuts, 4 pastries, 7 croissants, 3 butter and 4 matcha and a box of cookies and uhm… yum&ms uh the jumbo one." ordered Jeremy.
"So uh I think I saw yo-"
"I am busy at the moment, bye Oinkden by Junio ugh!" said Mr. Ching.

# Chapter Two

## The Dragon Warrior

"Ah I am left behind guys help I want to go too!” Flo screamed. "Now the gates are closed..." Flo said angrily to himself. "Why didn't I leave earlier? I should've left earlier". He tried and tried various ways to get past the gate but nothing happened. That is until he came up with an idea. He put himself in a cannon and lit it up to launch himself over the gate and into the arena. Some Traditional Dance was happening and Flying Dragons appeared but he didn’t see it because, suddenly after landing, he saw Master Shell in front of him. "The Universe has brought us the Dragon Warrior!" Master Shell declared, pointing at Flo. Shifty couldn't believe all of this. Flo was confused and amazed at the same time. Shell brought him to the Palace and showed him the hall. Flo was roaming around in the hall of the heroes. He was so happy to see all this and understood it wasn't a dream. He realized that he had truly become the chosen one, the Dragon Warrior.

Mr Ching was still at the bakery and saw the villagers returning from the palace, everyone tired and feeling hungry. “Muma you saw the Fox which had been-” Mr. Ching Interrupted a kid at once “Fox? Oh that’s my son Flo! I wonder why he didn’t come back!”. Mr. Ching got so many customers afterwards that he missed his son Flo so much.

Meanwhile Flo then went to the training hall to see The Fantastic Five Practising. The Fantastic Five Introduced themselves to Flo. Lioness, Baboon, Jet, Cobra, and Hopper performed a few stunts to cheer him up. "Your Turn Fox," said Shifty. First Flo got a little confused about what to do but he quickly adapted to the movements and started performing Kung Fu techniques. After that, he became more confident and his abilities impressed everyone, and left everyone amazed by his kung-fu skills. "Where'd you get those skills?" asked Baboon. "I learned Kung Fu from a wise old master," replied Flo confidently. "Which Master did you learn from?" asked Jet. "Master Shell" replied Flo with a proud smile. "When did you learn from him?" asked Hopper. "Oh yeah I forgot… well, I train in my father’s bakery" replied Flo. Everyone got confused until Flo asked

"How did I do Master?". " Very well but, we'll see 'bout that" said Shifty.

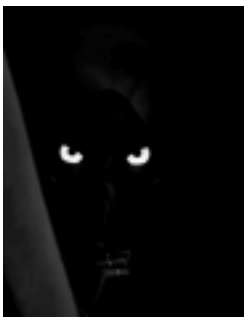
Flo went for a walk and saw Master Shell sleeping under a cherry tree. "What's the matter Flo?" asked Master Shell Gently. "Just Nothing, I feel a little embarrassed...". Listening to the sad words of the Fox, he gave him some advice. "Yesterday is history, tomorrow is a mystery but today is a gift, That is why it is the present". Flo smiled and decided to not give up hope.

Meanwhile, far away from the Fluffington Palace stood Bla Zang surrounded by a thousand guards and locked up in the Zhou Zeng Prison for years until now he had a chance to escape from the prison and was ready to escape. The guards didn't stand a chance against his powerful kung-fu moves, dodging every obstacle in his way, he swiftly made his way toward freedom. Feng from the prison quickly headed to the village and the palace to deliver the news of Bla Zang escaping.

Back at the palace, Flo was training hard. First, Cobra flipped him with her snaky tail sending him crashing down onto his head. Then Baboon hit that poor chubby with his broom. Jet flapped his wings, sending Flo 10 meters away. Liones pounced on him with all her might, claws ready to strike. Leaving Hopper, he bit Flo's Butt and Flo screamed "Mama Mia! My buttocks ouch!." Finally Shifty started to fight with Flo. He whacked him and used his kung-fu moves to attack Flo. "Okay Master, I will never quit." Flo cried. Then he returned for training and got so much better that he dodged Lioness's every move and fought everyone off with his new skills. "How fast did you learn?" asked Jet curiously. "Uhm, they say I am a fast learner!." replied Flo confidently.

Meanwhile at the Bakery, Mr. Ching was tired. He was chatting with one of the citizens and his best neighbor Mr. Phuong. "Ah yes I got it. Eh' No no 'bout that I saw your son in the arena ya' know 'bout that?" said Mr. Phuong. "Wait? Really you saw my son? Oh I can't believe it!" *My son has made me proud,* he thought. "Yeah he was on this thing ya' know. He loved kung fu ever since. I mean ever since he came into thi-" then Mr. Phuong interrupted him, "Yeah me' son also saw it. I am really Impressed on ya' Fox! Well?"
"Well what?" asked Mr. Ching.
"Why do you consider adop-" said Mr. Phuong.
"No no we do not talk about that here!" Interrupted Mr. Ching.

# Chapter three



## The Dark Tale

At the bunkhouse at night time, Flo saw the Fantastic Five and asked a few questions.

"Where did you guys learn all the kung-fu from?" asked Flo. "Master Shifty taught us!" replied Cobra. Flo asked The Fantastic Five about Bla Zang's story. "Then what do you know about him?" he asked Lioness. "He was a student. He was the first ever to master a thousand gems of kung-fu... and then he turned bad, and now he is in Jail"."That's it?" said Flo. "No, there's more. Lioness you have to tell him!" said Cobra. "Okay fine!" replied Lioness. Lioness started the story. "He wasn't just a student. Shifty found him as a cub, and he raised him as his son and when he showed talent in kung-fu, Shifty trained him. He believed in him. He told him he was destined for greatness. It was never enough for Bla Zang. He wanted the Ho Hoi Gem but Shell saw darkness in his heart so he refused. Bla Zang got angry and laid waste to the valley. He tried to take the gem by force and Shifty had to destroy what he created. But how could he? So Shell stopped him. Shifty loved Bla Zang like he had never loved anyone before, Or since,Then Shell put a curse on him that would lock him from controlling his own body for a few years but now he is active and now we needed a new Dragon Warrior."

Feng arrived at the palace and told Master Shifty about Bla Zang's Escape. Shifty rushed to Master Shell and said "Master it's very bad news!". "It's just news, it doesn't matter if it's good or bad!" said Shell confidently. "Your vision was right. Bla Zang escaped the prison!" said Shifty. "Ooh, it is bad news, believe in me Shifty that Fox is the Dragon Warrior!" said Master Shell. "That chubby Fox? He wasn't meant to be here, it was an accident!" said Shifty. "There are no accidents!" said Master Shell. "You must continue the journey without me." Master Shell gently handed his staff to Shifty and disappeared forever in a swirl of petals. Shifty stared at the staff in his hands for a moment and saw it glowing for a while in a pure gold color, nodding that Master Shell was resting in peace.

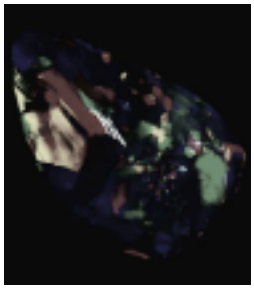
It was dinner time, in the dining room, Flo and the Fantastic Five were eating desserts made by Flo and were chatting while Shifty entered the dining room and found Flo making fun of him. "Bla Zang is coming! Flo, you are the only one to stop Bla Zang!". "Okay but I think I have to go for 2 you know number 2 so where is it?" asked Flo. "It's room no. 013" replied Cobra. Flo then ran to the restroom and tried to escape from the window but it was locked so he came back and tried to escape from the front door but he heard someone behind him. "Going so soon, chubby cheeks?" said Shifty. "I can train you if you trust me".

Lioness didn't agree so she went by herself and decided to face Bla Zang by herself. As she sneaked out, the rest of the members also chased her. The Fantastic Five ran 5 kilometers and they saw Bla Zang on a rope bridge and started a battle with him. They punched him, kicked him and Lioness pounced on him directly while the others blocked the way. They fought bravely and skillfully, showcasing their Kung Fu powers but Bla Zang had a Powerful kung-fu nerve attack move that would freeze them in place.

Meanwhile Shifty started training Flo and he made him strong. Flo's strength increased exponentially under Shifty's training, making him a formidable opponent in any battle. Shifty trained him using his favourite food Cookies, told him about the Wuxi finger hold and after that, they chatted a little about their training. Then Shifty handed him the Hoi Hoi Gem and Flo went home disappointed. After 20 minutes of their training, The Fantastic Five returned. "Where were you all? I was worried about you?" asked Shifty anxiously. "We went to fight Bla Zang but he used a special nerve attack on us," replied Jet. “You cannot take him. The Dragon Warrior will take him only. You can just-” Shifty got interrupted by the Belsnickel Villager. He was alerting the villagers and the palace about Bla Zang. “BLA ZANG’S HERE MASTER! OH WHERE’S THE DRAGON WARRIOR?” shrieked a villager. Shifty got to the outside of the palace while the Fantastic Five evacuated the village. “Well well Hello old Friend! Ya happy to see me eh?” said Bla Zang when he met Shifty.
“You were told you’re not worthy of th-” said Shifty.
“I WAS WORTHY! I WAS TOLD A LIE! Now C’mon Pops hand me over the Gem and this game is over. I am the winner, you're the winner and the Dragon Warrior is the winner!” Interrupted Bla Zang.
“Never!” said Shifty.

The fight started between them. He fought his father and then he went to get the Gem from the Dragon Warrior. “Where are you Dragon Warrior? Hiding huh? Come out and hand me the Gem if ya don’t wanna fight!”

# Chapter Four



## The Hoi Hoi Gem

Now it was Flo's turn to defeat Bla Zang. The Ho Hoi Gem, he was given, he was surprised by the glow on that stone. Flo knew that the Ho Hoi Gem held immense power, but he had no idea how to harness it. That is until he sadly went to his father's bakery. "What's the matter Flo?" his father asked. "I have this powerful gem, but I don't know how to use it!" Flo replied with a sigh. His father smiled and said, "Sometimes the power lies not in the thing itself, but in the person who wields it". "But Master Shifty said that I have to believe in that stone but I can't believe it. I don't know why..." replied Flo. "Don't worry son, you'll find out." replied his father. He finally understood about the Gem. He went to his room and stayed up thinking but then,"Where are you Dragon Warrior? Hiding huh? Come out and hand me the Gem if ya don't wanna fight!" Flo went near the voice and came face to face with Bla Zang. "What are you gonna do chubby? Punch me in the Face huh? what twice?" Bla Zang said. Flo started to fight with Bla Zang while the Fantastic Five was helping the village evacuate. Flo had his own unique Foxy-moves and he punched Bla Zang in his face twice. Then he delivered a powerful kick that sent Bla Zang flying over the Fluffington Palace. After that, Flo jumped up and snatched Bla Zang's finger. "Not the Wuxi finger hold!" Bla Zang screamed. Flo flexed his pinkie and Bla Zang went straight to the End Dimension.

**Flo had won the Battle!**

After that, the Fantastic Five and everyone bowed respectfully to Flo the Fox. Flo's Father bowed to his son respectfully and Shifty finally believed in Master Shell's words. Now everyone believed him as the Dragon Warrior! After that they were finally at peace. The Villagers came back to their houses. The Fantastic Five were eating at Flo's Father's Bakery. Lioness helped herself to some croissants, Hopper had cookies, Cobra and Baboon liked the pastries and Jet loved Yum&ms and Shifty ate some biscuits. Then Flo went up to bed and had the best day of his life ever! Unless he was if… "C'mon! Just tell me how he got here! Like how would you get him?" Mr. Phuong asked Mr. Ching, "Ok ok! Well… *once upon a time, there lived a Fox…*

# So how much did you like the book?
